

FAITH LUTHERAN SCHOOL LION FUND

SUPPORTING CLASSICAL LUTHERAN EDUCATION

Just as the stages of learning form a foundation for classical Lutheran education,
so can we build toward our fundraising goal.

Gifts at every level are vital to our success!

1. Grammar (under \$100)

The foundation of learning—memorization, language, and truth.

These gifts help lay the groundwork for students as they begin their formative education.

2. Logic (\$100-400)

The pursuit of truth through reason and discernment.

These gifts support students as they learn to reason and evaluate ideas in light of Scripture.

3. Rhetoric (\$500-900)

The art of communicating truth with wisdom and grace.

These gifts support students as they learn to articulate their faith in a fragmented world.

4. Wisdom & Virtue (\$1,000-\$3,000)

The telos of classical Lutheran education: to cultivate wisdom and virtue, shaped by the Word.

These gifts help shape not just scholars but Christian citizens for the Church and the world.

5. Servant-Leader (\$3,500-\$5,000)

Serving God through every vocation.

These gifts enable us to prepare servant-leaders who will impact the Church and the world for generations, embodying humility, integrity, and faith-driven leadership.
